

Kristin Johnson (she/her)

Hello! My name is Kristin Johnson and I am a Financial Analyst III in OMF Business Operations.

I am originally from Vermont, where I played and developed a love of ice hockey and all things maple syrup. In college I interned under then Representative (now Senator) Bernie Sanders while pursuing my bachelor's degree in political science from Trinity University. Upon graduation I attended the Fels Institute of Government at the University of Pennsylvania, where I received a master's degree in Governmental Administration.

While attending Fels I continued playing hockey, became a practiced performance analyst with the SchoolStat program, and participated in the Oregon Performance Internship program. During the internship I aided the City Auditor's Office in performance auditing. This was my initial introduction to the City, and I fell in love with Portland that summer. I knew when I graduated from Fels that I wanted to work for the City of Portland, so upon graduation, I packed up my car and moved out here!

I have worked for the City since 2009, first as a Development and Training Analyst with the SAP project, then as a Financial Analyst for OMF and Fire, and as Commissioner Hardesty's Financial Policy Advisor. I am now a Financial Analyst III in OMF Business Operations working as the lead analyst for the Bureau of Revenue and Financial Services.

During my time as Commissioner Hardesty's Financial Policy Advisor I was part of the City's Management Bargaining Team when BOEC Dispatchers elected to join PPA. Serving on that team helped me learn a lot about the bargaining process, and how City management approaches their side of bargaining. I am hoping to use the skills I gained to help successfully negotiate a contract that CPPW can be proud of, and that reflects the will of membership.

I am an open book, so if anyone has any questions, comments, or concerns for me, please don't hesitate to reach out: Kristin.johnson@portlandoregon.gov

It would be my honor to serve as a member of our Bargaining Team and work in good faith toward a contract that will serve our membership well.

Thank you for your consideration!

Kristin
