What is a Supervisor?!?!

- CPPW members are often management adjacent and team leads, but that does not mean we are "Big S" Supervisors

Supervisor

- Has hire/fire discipline/promote or assign work authority
- Is primarily responsible for management work

Union Lead

- Does not have hire/fire or significant discipline ability
- Primarily coordinates tasks, ensures workflow, and provides technical expertise

Organizing

 - A six-week course, composed of weekly sessions from February 13 to March 20, 2025.

Bargaining - TAs

- We are making progress a new contract is slow but steady
- Tentative Agreements at the last sessions:
 - Reasonable suspicion of drug and alcohol use protecting members in the event of a test;
 - Data Breaches increased protections for members in the event of a data breech;
 - Health & Life Secure 6% contribution from the City for PERS, add CPPW to Labor Mgmt Benefits Committee where decisions are made (currently do not have a voice);
 - Probation Maintain existing parameters;
 - Recognition CPPW is our union & even if our job titles or classifications change but the work stays the same, we stay in the union.

Bargaining - Economics

This is an evolving process to secure Clear & Consistent Compensation.

The City created a mess with our current classification system. We are working to lock in protections and wage increases for members, while we work out the class mess:

- Requirement that the City bargain any outcomes of the current class comp study with us;
- Develop a wage step system to match the new classification system as a part of bargaining Contract 2;
- Meanwhile, guaranteed wage increases & COLAs across the membership in Contract 1;
- Premium pays;
- Vacation cash out.

Bargaining - Economics

Curious about costs? We are not bankrupting the City! Not by a long shot. Our asks are reasonable, clear, and consistent.

This is the big topic at the next session!

Nov 25 - Bargaining Session – 10am-4pm (ish) - You should come!

- City has committed to respond to our economic package
- City's class comp and CPPW treasurer will be there to talk costs

Bargaining – Work Location

Work Location (ie, remote work, hybrid, etc)

This has been a top issue for members – flexibility! Not everyone works hybrid, but the vast majority of the members are, those that aren't still want flex time flexibility!

This is complicated because the City does not have to negotiate this with us – it is not a 'mandatory subject of bargaining.'

- The City has taken a very hard line on this and we've heard lots from the Mayor Elect about return to full time in person. This is concerning!
- CPPW current counter-proposal:
 - Hybrid is the standard and alternatives are based on program need,
 - Existing fully remote positions are protected,
 - Create appeal process for member/Sup disagreement about work location for program need,
 - Create a process for any worker to apply to change their work location.

Actions!

Nov 25 – Bargaining Day

- 10am 4pm, but keep an eye on your emails and the discord for a heads up on when the economics conversation will happen.
- Portland Building, Room 108
- Wear your colors, update your screens!
